ENVIRONMENTAL POLICY **2021**

Commercial tiling and stonework contractor working in London and the surrounding Home Counties.

Jobber Projects Ltd. are a leading commercial tiling and stonework contractor working in London and the surrounding Home Counties with decades of experience in large scale contracts within the housing, leisure and commercial sectors.

We are committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment. We are committed to operate in compliance with all relevant environmental legislation.

We will:-

- Integrate the consideration of environmental concerns and impacts into our decision making and activities.
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner.
- Reduce waste through re-use and recycling and by purchasing recycled, recyclable or re-furbished products and materials where these alternatives are available, economical and suitable.
- Promote efficient use of materials and resources throughout our workforce including water, electricity, raw materials and other resources, particularly those that are non-renewable.
- Avoid unnecessary use of hazardous materials and products, seek substitutions when feasible, available, economical and suitable.
- Communicate our environmental commitment to clients and encourage them to support it.
- Strive to continually improve our environmental performance and minimise the social impact and damage of activities. We achieve this through an annual review of our environmental policy.

Our staff are more than happy to deal with any queries you may have and if there is something you require that is not contained within this policy then please do not hesitate to contact me.

Yours Sincerely,
